FOR IMMEDIATE RELEASE

COMMUTER ALERT 91 HOV PROJECT UPDATE

FULL NIGHTTIME DIRECTIONAL CLOSURES ON STATE ROUTE 91 BETWEEN CENTRAL AVENUE AND 14th STREET

Riverside – Caltrans continues construction on the new six-mile long High Occupancy Vehicle (HOV) project on State Route 91. Preparations are continuing for the building of the temporary railroad bridge at Pachappa. This temporary bridge will be used while the new railroad bridge is being built.

Nest week beginning on Tuesday, September 10th and continuing through Friday, September 13th, the contractor will be erecting girders at the Pachappa railroad bridge. In order to safely bring heavy equipment onto the highway, the roadway between Central Avenue and 14th Street will need to be closed to traffic during nighttime and early morning hours on several days. The closure hours vary according to the day of the week and the direction of the roadway where the work is occurring. Detours will be posted and are also available on the project website - www.91HOVProject.com.

All work is subject to weather conditions.

CLOSURE INFORMATION CHART

LOCATION	DATE	TIME	CLOSURE
Eastbound SR 91 at Pachappa Bridge	Tue, 9/10 – Thu, 9/12,	11:59 PM - 5:00 AM	Full freeway closure between Central Avenue and 14 th Street
Westbound SR 91 at Pachappa Bridge	Fri, 9/13	11:00 PM - 4:00 AM	Full freeway closure between Central Avenue and 14 th Street

Allow extra commute time as delays are expected. Follow the instructions on advisory signs within the project limits. Please drive courteously and merge early. Thank you for your patience.
